

Course Selection for Current Sophomores

Planning and choosing your classes for junior year

How many credits should you have right now?

- 9 or more; 12+ by the end of the year

Credit Summary		
HS Credits	Attempted	Earned
CTE/Fine Arts	2.000	2.000
Elective	0.500	0.500
F		
L		
M		
P		
S		
Social Studies	1.000	1.000
Total	9.000	9.000

Students should have 9+ credits currently

What if you are short on credits?

- Extra classes
- Digital Learning
- Summer School

Typical Junior Year Schedule

- If you have passed all classes and earned enough credits (12),
 1. English
 2. Math
 3. Science
 4. US/AZ History
 5. Elective
 6. Elective

How to Choose Next Year Classes

- Log in to your Infinite Campus Student Portal
- Click on tab that says "Academic Plan"
- You must fill out and save your plan by **Wednesday, February 19th**
 - Start of Rodeo Break
- Parents must also log in to the parent portal and click the box to approve your plan

Alternates

Alternates

Alternate courses may be selected for scheduling if a student cannot be scheduled into a planned course. Use the directional arrows to order the Alternates by preference.

You must enter at least 2 alternates as back-up options in case you don't get into your first choice of electives.

2.0 / 2.0

× ART001A Intro Art 2D A - 0.5 ▲▼

ART004B Intro Art 3D B - 0.5 🔒

× PYS016A Tennis A - 0.5 ▲▼

PYS016B Tennis B - 0.5 🔒

If you don't choose alternates, they will be chosen for you!

IRHS Dual Enrollment

Course Offerings:

- Bioscience
- College Algebra (MAT151)
- Culinary II, III, and IV
- English Composition (WRT101 & 102)
- General Chemistry I & II
- Healthcare Foundations
- History of the United States I & II
- Nursing Services

FAQs

How is credit earned?

-> Students receive college credit by earning at least an unweighted 'C' at the end of the semester. Category weights and requirements vary by course.

What requirements do these classes satisfy?

-> Each college has different general education requirements so it will vary by school. Each course has a Shared Unique Number (SUN) that identifies it to other schools as an accepted credit. You can follow the QR code to see how these credits transfer to other in-state schools. Be sure to select the correct institution when viewing classes. If you are interested in out-of-state credits, you will need to research the college website to find the information.

How do you sign up for a Dual Enrollment class?

-> Some of the classes require placement tests but you will include the class on your course request form when registering for classes. The counseling team and teachers work with the colleges to set up the placement testing.

Dual Enrollment Course Information

If you are signing up for a Dual Enrollment course, you must do two things before the end of the school year:

- Apply to Pima Community College and report your A# to your counselor
- Pass any placement tests required by PCC
 - These will be given in April, and you will be notified in advance if you must test

The following courses are Dual Enrollment through PCC:

- College Algebra (MAT151)
- **Culinary II, III, and IV**
- English Composition (WRT101 & 102)
- General Chemistry I & II
- **Healthcare Foundations**
- **History of the United States I & II**
- **Nursing Services**

o Hour Contract

If you are interested in taking a zero hour class next year, you must complete and turn in the Zero Hour Contract.

This form must be signed by a parent and returned to the Counseling Office by **February 19th!**

Deadline Recap

Dual Enrollment: Enroll at Pima, take necessary placement test before the end of the semester

Zero-hour contract: February 19th

Changes to Academic Plan: February 19th
