Course Overview: Students will utilize this time to focus on reading and comprehending varied texts, analysis of literature and informational texts, writing for a variety of purposes, and effective listening, speaking, and viewing strategies. Students will also use this time to receive intensive instructional support for their general education English-Language Arts class (assignment completion and correction, re-teaching and reviewing of concepts, and editing/revising sessions). IEP progress monitoring will also occur in this class.

Class Expectations:

Students will be expected to complete and submit all assignments and participate to the best of their individual ability. Students are expected to conduct themselves in a professional manner and follow all class and school rules.

- **Be Ready to Learn:** Be prompt and prepared for class when the bell rings. Being present is vital to student success.
- **Be Responsible:** Follow all classroom procedures and school rules. Perform to the best of your ability at all times.
- **Be Respectful:** Be courteous and respectful to your teacher and peers.

Grading Information:

- Grades will be based on participation and a variety of reading and writing assignments and assessments.
- Grades will be updated weekly.
- Parents will be contacted if there is a sudden or extreme drop in student grades.
- Please check parent portal regularly.
- If there are any concerns or special circumstances, please contact teacher as soon as possible.

The teacher reserves the right to make changes to the syllabus. Students will be informed of any alterations in advance.
