

AHS 21st CCLC After-School Classes and Clubs

Library and Morning Tutoring

Are you trying to stay on top of your homework, just need a quiet place to study or need some extra help?

- Certified teachers available
- Get help in all academic areas M-W after school in the library and M-F before school in room 212.

Wrestling Club

Whether you have wrestled before or not, come out and join us.

Learn new skills

Work on fine-tuning skills you may already have

Stay active

Meet new friends

Everyone is welcome – come see if Wrestling is the sport for you!

Technical Theater

If you are not a fan of being on stage, but are excited by what it takes to make a production come to life, then this is the club for you. You will work with your hands AND your mind! Come see what it is all about!

M.E.S.A. (Mathematics, Engineering, Science Achievement)

- Academic college preparation program
- Provides academic support to students so they will excel in math and science
- Project based with regional and national competitions
- Use your mind and your hands to develop exciting projects

Civics Exam Tutoring

Come join us as we prepare you to pass the state required Civics Exam. The exam must be passed in order to graduate, so take the opportunity to learn all you can to be successful when it is time to test.

Several testing opportunities are given throughout the year.

STEM Scouts

Are you a born leader? Do you want to get a head start on college? Would you like to design your own experiments?

- Discover science, technology, engineering and math
- Work with STEM professionals in weekly labs
- Learn about careers in Science and Technology fields
- Take monthly field trips to a variety of local business

The Nuts and Bolts of Car Care

Do you like working with your hands and fixing things? This class is for you!

- Learn how to do car care necessities like changing oil, maintaining appropriate tire pressure and troubleshooting car problems
- Use the latest diagnostic equipment to diagnose problems in cars
