<p>In JROTC, students are introduced to non-combative military skills and character building philosophies/activities centered on leadership and physical training which are useful in both civilian and military communities. Cadets earn positions of responsibility in the unit and older cadets are involved in planning, organizing, and implementing projects for the group. The goal of JROTC is to motivate young people to be better citizens. Monthly field trips, a five-day training exercise at Ft. Huachuca, on-campus rappelling, rock climbing and obstacle courses are examples of the activities offered with these courses. Varsity athletic teams include Exhibition Drill Teams, Color Guard, Rifle Marksmanship Team, Raiders Team, and Drum and Bugle Corps. JROTC is an approved Military Academy nominating agency. Students involved in this course will take it at Flowing Wells High School. Due to the course being off campus, different attendance reporting must be met. See your guidance counselor for a copy of the reporting requirements. In addition to the JROTC course, cadets approved by one of the instructors may be placed into an additional class called Adventure Training. Students participating in this class take part in the Raiders (outdoor physical fitness, Rappel and Orienteering class), Drill Teams/Color Guard, or the Rifle Marksmanship program.
