# Understanding Your Child's Needs

At Agility Spine & Sports Physical Therapy we understand the needs of each individual child and family. We have a complete approach to helping your child attain their full potential with pediatric therapy. What sets us apart is a team approach that gets the best results for your child and your whole family. Our clinic helps children with orthopedic disabilities.

Our services include a thorough evaluation, individual treatment, consultation, parent training and patient mentoring. By focusing on your child as an individual, your child can discover their extraordinary possibilities.
