

Application for Seal of Excellence – Science Department

Student name: _____ ID #: _____ Date: _____

Criterial for Science Seal of Excellence

ALL criteria below must be met to achieve a Seal of Excellence in Science

- Student must have successfully completed 8 semesters of courses from the science department OR 6 semesters of science courses and 2 semesters of a CTE science.
- Student must accumulate a total of **10 (ten)** points from all the sections below.
- No disciplinary action for academic dishonesty.

Section 1: Courses

List below your 8 semesters of science department courses (or 6 science department courses and 2 semesters of CTE science). You earn 1 point for having 8 semesters of science department (or 6 + 2 CTE science) courses.

Transcripts must be provided for verification.

<i>School Year</i>	<i>Semester (Fall/Spring)</i>	<i>Course name</i>
		TOTAL:

Section 2: Grades for Honors/Pre-AP classes

List the Honors/Pre-AP classes and the grades received, as indicated on your transcript. You receive 0.5 points for EACH A or B you earned each semester in your Honors/Pre-AP science class.

<i>Course name</i>	<i>Fall grade</i>	<i>Spring grade</i>	<i>Points</i>
			TOTAL:

Section 3: Grades for AP/Dual-Enrollment classes

List the AP/Dual-Enrollment classes and the grades received, as indicated on your transcript. You receive 1 point for EACH A or B you earned each semester in your AP science classes.

<i>Course name</i>	<i>Fall grade</i>	<i>Spring grade</i>	<i>Points</i>
TOTAL:			

Section 4: AP Exams

Students earn 1 point (by achieving a 3), or 2 points (by achieving a 4, or 5) on an AP Science exam taking during sophomore or junior year.

<i>Courses (circle all that apply)</i>	<i>AP Score</i>	<i>Points</i>
AP Biology		
AP Chemistry		
AP Environmental Science		
AP Physics C - Mechanics		
TOTAL:		

Section 5: Participation in Extracurricular Science Activities

Students can earn an addition ½ point for each additional science related activity that demonstrates a commitment to science. Examples are, but not limited to: SARSEF, Science Internships, Summer Science Programs, or Internships. This category requires that the student provide proof of active participation, i.e., certificates of participation, etc.

<i>Activity name & description</i>	<i>Date(s)</i>	<i>Points</i>
